Commander's Message

Commanders Message

To All Members,

As we approach April I would like to thank each organization for their hard work and commitment to Post 318 and the many programs they support. I see so many members working with others and helping make their events and functions a success. That's why we at Post 318 have always been successful. It's the Teamwork and it sure helps.

As we approach April we have sent out reminder cards to those who have not renewed their membership. I hope that you who haven't renewed will do so as soon as possible. We need your membership.

At our next meeting in April the reading of members that want to run for Officers for the next year will be read. If you are interested in running for one of the Officer's positions, then I ask that you contact Al Dergis, our Nominating Chairman, and let him know what office you want to run for. Even if you are not interested I ask that you attend the meeting to support those that want to run and give your input.

Last month I reported to the membership what our New Building costs would be and what we needed to do before we could build our new Post. I first want to thank all of you that have graciously donated for our future. Since January we have received \$38,238.00 in donations. We are on the right track but still need additional dollars. We will never start until we are fully ready to fund such a project. Please keep the donations coming. Its your Post and our future.

This month I would like to make **Lou and Fran Romano** our Members of the Month. They both do so much around the Post and are always there when help is needed. On all events or functions it seems they both are lending a hand. Thank you both so much.

Commander
Daryl Bowie

Second Vice Commander

Another month gone by and we are doing great with our fund raising functions for the new post. Keep up the good work. The next two major functions coming up are the SAL's pig roast, April 9th and the American Legion Riders Casino night, April 15th. Both functions have always been a lot of fun. Please show up to theses two functions and have fun while supporting your post.

Also, starting April 7th, Thursday night dinners will be **All You Can Eat Spaghetti** for only \$7.00. A special thanks goes to everyone that supports our news letter. Every bit helps.

Thanks again,
Johnny V.
